

DISABILITY, BASIC HEALTH AND WELFARE

Oonagh Brown

Policy and Implementation Officer

Scottish Commission for People with
Learning Disabilities

SCOTTISH COMMISSION FOR PEOPLE WITH LEARNING DISABILITIES (SCLD)

Discussion

- Consider the issues raised in Together's 2019 State of Children's Rights report and identify whether there are any gaps, emerging issues or updates now needed
- Identify the top three priority areas that you think should be highlighted to the UN Committee and reasons for identifying these

Consider the issues raised in Together's 2019 State of Children's Rights report and identify whether there are any gaps, emerging issues or updates now needed

The views of children and young people with a learning/intellectual disability

Inclusive Education
