 - contact details.a commitment to the responsibilities of being a member, Together's vision and mission, values, anti-racism work and to act compatibly with the UNCRC and broader international human rights treaties. 3. If the form is complete and the individual has agreed to the terms of membership, their application is automatically approved. Together sends an email to the applicant welcoming them to Together.
4. At board meetings, the board receives a list of all new individual members who have joined over the past quarter.

Joining procedure for not-for-profit members

1. Organisations interested in membership must fill in an application form on the Together website. The application form requests:

¹ For not-for-profit members who become members after either August or November board meetings they will be invoiced for 50%, half the annual membership fee when they join.

In 2023/2024 we are introducing a new tiered membership fee structure, based on the annual turnover of our members. This will make Together more accessible to smaller organisations, while allowing us to grow and develop as a sustainably funded, independent organisation. It will further ensure that Together can continue to respond to an ever-increasing demand for our expertise.

Tier	Member Organisation's Annual Income	Fee
Tier 1	<£100,000	£50
Tier 2	£100,001 - £500,000	£100
Tier 3	£500,000 - £2,000,000	£200

Together sends an email to the applicant, thanking the organisation for applying, acknowledging that the form has been received and noting that their application will be considered by the board at the start of the following month

Whilst not-for-profit members cannot access membership benefits prior to their application being approved by the board, Together may, on occasion and at its discretion, invite a not-for-profit member to a Member Induction Event and working group meetings before its application has been reviewed by the board.

3. Organisational details are entered into the e-Tapestry membership database, noting that membership is pending prior to board approval, and, if the organisation consented to it, the prospective member is registered to Together's fortnightly e-newsletter.
4. Together staff conduct basic research into the background, values and reputation of these organisations. Trustees must consider whether organisations applying for membership have previously acted in a way which is compatible with Together's vision, mission, values, anti-racism work and the principles enshrined in the UNCRC and take steps to mitigate against any risk of the organisation's membership damaging Together's credibility.

On a monthly basis, the director asks the Board of Trustees to review membership applications made in the last month and to confirm within 14 working days their approval . A

majority of 6 trustees must respond stating their agreement to the organisations(s) becoming a member in order for the membership(s) to be approved.

5. If any Trustee has concerns about approving membership, the Director and Chair will arrange a meeting with that Trustee to seek to reach a decision. If no resolution can be decided, the issue will be referred to the next Board meeting.
6. Once approved by the board, organisations gain immediate access to the full benefits of membership. They receive a welcome email with the Together membership Welcome pack.
7. Approved organisations are invoiced by the Business Support Officer.
8. If the applicant is rejected, a written explanation outlining the reason for their rejection will be sent.

Current members

Individuals and organisations which became Together members prior to April 2021 - when the registration forms were updated for new members and supporters - have not formally agreed to the organisation's vision, mission, values, anti-racism work, the responsibilities of membership/being a supporter and to act compatibly with the UNCRC and broader human rights treaties.

As such, all not-for-profit and individual members will be asked to complete a contact renewal form in which they sign up and agree to commit to Together's vision, mission, values, anti-racism work, the principles of the UNCR and the responsibilities of membership. In this form, they must accept that failure to act according to these terms may result in termination of their relationship with Together.

If, after at least one reminder, an organisation or individual does not agree to commit to Together's vision, mission, values, anti-racism work and the responsibilities of membership, they will be unable to remain a member.

Entities which cannot remain members under the new member definition will be invited to become supporters. In the registration form to become a supporter, they will be asked to update their details and agree to Together's vision, mission, values and the responsibilities of being a supporter.

Terminating membership

Resignation

Members and supporters may give notice of their resignation from Together at any time by written notice with reason for leaving.

Organisational members which cite difficulties paying the annual membership fee as a reason for ending their membership with Together should be approached and informed about the fee negotiation policy.

Resignation for any other reason is effective as of the date that Together that receives this written notice. At the next quarterly board meeting all membership and supporter withdrawals are notified to the Trustees.

When Together receives an automatic reply from an individual member saying that they have left their post at the organisation, they are removed as a member because Together has no other way of staying in contact with them. E-tapestry also allows anyone to opt-out of mass communications. For all members that opt-out, the Membership Outreach Assistant should email noting this observation and asking whether they wish to remain a member. If a response is not received within 30 days, the member is removed.

Exclusion

Individual and not-for-profit members and supporters can all have their relationship with Together terminated.

Reasons for exclusions include: non-payment of the membership fee, bringing Together into disrepute, lack of commitment to responsibilities of being a member or supporter and failure to adhere to Together's mission, vision and values.

a. Non-payment of membership fee:

Organisations receive an invoice for the annual membership fee after they have been approved by the board and thereafter in February/March of each year.

1. This reason for exclusion relates to an organisation which has not paid its membership fee or had communication with Together to give a reason six months after first invoiced and which has received at least one reminder.
2. For organisations which receive an invoice for the full year in February/March, if no communication or payment is received by August 1st, a further email is sent with a 30-day deadline for response. This email states that membership will terminate on 31 August unless payment is received. For organisations which receive their first invoice in May, August or November, after approval at a board meeting, if no payment is received by August 1st of the following year, a further email is sent with a 30-day deadline for response. This email states that membership will terminate on 31 August unless payment is received.
3. If the membership fee is not paid, the membership benefits are suspended, and the organisation is removed from mailing lists. Their contact information and data (with the exception of the organisation's name) is removed from Together's records in line with Together's Data Retention Policy.
4. The organisation will be presented as withdrawn at the following board meeting.

Being re-admitted as a member: any organisation that wishes to become a member again must make an application via the original procedure and be approved by the board of Trustees.

b. Bringing Together into disrepute, lack of commitment to Together's mission, vision, values, anti-racism work and/or acting incompatibly with the UNCRC and broader human rights treaties (Relevant to p11 of the MARTs)

1. If a member or supporter's behaviour or position is, or has the potential to be, detrimental to the interests or reputation of Together, this can be raised by Trustees at a board meeting. If a member has a concern about another member, they should raise this with the director of Together via the Business Support Officer.

When both new members (individual & not-for-profit) and supporters register, they agree and commit to Together's mission, vision, values, anti-racism work and to acting in accordance with the principles enshrined in the UNCRC. They acknowledge that acting incompatibly with the above may constitute grounds for removal. Together can therefore use failure to act in line with these terms of membership to justify exclusion.

2. Exclusion of members (individual & not-for-profit) and supporters may be put forward by the Board of Trustees, after they have heard the defence of the party concerned and two thirds of Trustees present agree.

3. If exclusion is recommended by the board, the member (individual or not-for-profit) or supporter is informed and receives a written notice explaining the reason for exclusion. All membership benefits and rights can be suspended.
4. Within two weeks of expulsion, the member or supporter is able to appeal that decision. If Together's Director receives any such notice of appeal within that period (time being of the essence), the Trustees shall convene an EGM for a date no later than two months after the date of expulsion, and the organisation or individual concerned shall be entitled to make representations to the members at that EGM. Together may, at any such EGM, resolve by ordinary resolution that the organisation or individual concerned should be re-admitted to membership or being a supporter.

Being re-admitted as a member or supporter: If re-joining as a member (individual or not-for-profit) or supporter is desired, the organisation or individual must be able to demonstrate how they have taken steps to align with Together's values, mission, vision and anti-racism work. Re-admission remains at the discretion of the board.
