

# Workshop template

The template below can be used by trainers and training planners alongside the Children's Rights Skills and Knowledge Framework. It should be adapted to suit your organisation's specific aims, audience and outcomes.

Workshop summary	
Training title	Choose something engaging that will make learners feel empowered.
Target audience	Consider carefully who is being trained, and what their learning needs will be.
Framework area(s) and principles	Choose an area of the Framework to focus on that has clear links to the learners' roles in the workplace.
Framework level	Choose a level of the Framework: Informed, Skilled or Enhanced.
Aims of training	What will learners gain from the session? Are there other areas of training to incorporate or build on?
Learning outcomes	Describe the clear and measurable outcomes learners will achieve and consider, e.g. if learners will demonstrate knowledge or confidence in applying skills.
Training and learning strategy	How will the workshop use a learning strategy that centres practical peer learning and collaboration and the views and experiences of children and young people, and embeds approaches to non-discrimination and equality?
Barriers	What barriers need to be addressed in the training? How can you design training that is multilevel, works within complex systems, and is part of a wider capacity building programme?
Training analysis findings	What were the themes from training needs analysis activities like pre training surveys, interviews, and reviews of existing materials?
